Product Data Sheet

Match-All™ Stain Marker

M269-0001

Product Description: The Match-All™ Stain Marker can be used for highlighting doors, to touch up nicks and scratches on crown molding, wood floors, cabinetry, furniture and any other stainable wood surface. Just add your own water, oil or lacquer based stain. You can use your own stain colors for a perfect match! The Match-All™ Stain Marker is not recommended for dye type stains.

Advantages:

1. Easy to use with your materials.
2. Valve type tip provides fluid control.
3. Touch ups, highlighting & other custom uses.

Characteristics:

Capacity: Holds up to 7.5 ml, ¼ fluid ounces
Empty body - Intended for one time fill

Limitations:

Do not exceed 7.5 ml of fluid
Do not refill
Not recommended for dye type stains.

Specifications:

Directions: Remove cap and felt tip. Place end of marker in stain; pull handle until fully extended to fill with stain. Unscrew handle in a counter-clockwise motion, discard handle, insert felt tip into opposite end. SHAKE marker to agitate stain before every use. When ready to use depress tip gently onto scrap of wood or paper until stain begins to flow. If needed wipe excess with clean cloth. Replace cap tightly after every use. Not recommended for dye type stains. Do not exceed 7.5 mL of fluid. Do not refill.

Safety cautions: Refer to warning on stain products label – follow warning label on stain products being used. Keep out of children's reach (small parts). In case of accidental ingestion refer to warning on stain.

Content: empty

KEEP OUT OF REACH OF CHILDREN
